# FARIDA MOHAMED

SOFTWARE TESTER & GRAPHIC DESIGNER

---

New Cairo, Cairo 11865 ♦ +20 01275720858 ♦ faridamosalah@gmail.com ♦ [Linkedin Profile](#)

---

## PROFESSIONAL SUMMARY

Dynamic Computer Science student with a strong background in software testing and graphic design, skilled in both manual and automated testing to effectively identify bugs and optimize system performance and usability. Expertise in creating visually compelling designs while successfully leading creative teams, backed by hands-on experience in GDG and startup environments. Committed to delivering high-quality digital products and continuously improving technical and creative skills. Eager to leverage this diverse skill set to contribute to innovative projects and drive impactful results.
